Artist: Nirvana

Original Song:

[Verse 1]

It's fun to lose and to pretend
She's over-bored and self-assured
Oh no, I know a dirty word

Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello

[Chorus]
With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto, an albino
A mosquito, my libido

[Post-Chorus]
Yeah, hey, yay

[Verse 2]
I'm worse at what I do best
And for this gift, I feel blessed
Our little group has always been
And always will until the end

Title: All Too Well (10 Minute Version) (Taylor’s Version) [Live Acoustic]

Artist: Taylor Swift

Original Song:

[Verse 1]

I walked through the door with you, the air was cold
But something 'bout it felt like home somehow
And I left my scarf there at your sister's house
And you've still got it in your drawer, even now

[Verse 2]

Oh, your sweet disposition and my wide-eyed gaze
We're singing in the car, getting lost upstate
Autumn leaves falling down like pieces into place
And I can picture it after all these days

[Pre-Chorus]

And I know it's long gone and
That magic's not here no more
And I might be okay, but I'm not fine at all
Oh, oh, oh

[Chorus]

'Cause there we are again on that little town street
You almost ran the red 'cause you were lookin' over at me
Wind in my hair, I was there
I remember it all too well

[Verse 3]

Photo album on the counter, your cheeks were turning red
You used to be a little kid with glasses in a twin-sized bed
And your mother's telling stories 'bout you on the tee-ball team
You told me 'bout your past, thinking your future was me
And you were tossing me the car keys, "Fuck the patriarchy"
Key chain on the ground, we were always skipping town
And I was thinking on the drive down, any time now
He's gonna say it's love, you never called it what it was
'Til we were dead and gone and buried
Check the pulse and come back swearing it's the same
After three months in the grave
And then you wondered where it went to as I reached for you
But all I felt was shame and you held my lifeless frame
[Pre-Chorus]
And I know it's long gone and
There was nothing else I could do
And I forget about you long enough
To forget why I needed to

[Chorus]

'Cause there we are again in the middle of the night
We're dancing 'round the kitchen in the refrigerator light
Down the stairs, I was there
I remember it all too well
And there we are again when nobody had to know
You kept me like a secret, but I kept you like an oath
Sacred prayer and we'd swear
To remember it all too well, yeah

[Bridge]

Well, maybe we got lost in translation
Maybe I asked for too much
But maybe this thing was a masterpiece
'Til you tore it all up
Running scared, I was there
I remember it all too well
And you call me up again just to break me like a promise
So casually cruel in the name of being honest
I'm a crumpled up piece of paper lying here
'Cause I remember it all, all, all
[Verse 4]
They say all's well that ends well, but I'm in a new Hell
Every time you double-cross my mind
You said if we had been closer in age maybe it would have been fine
And that made me want to die
The idea you had of me, who was she?
A never-needy, ever-lovely jewel whose shine reflects on you
Not weeping in a party bathroom
Some actress asking me what happened, you
That's what happened, you
You who charmed my dad with self-effacing jokes
Sipping coffee like you're on a late-night show
But then he watched me watch the front door all night, willing you to come
And he said, "It's supposed to be fun turning twenty-one"

[Verse 5]

Time won't fly, it's like I'm paralyzed by it
I'd like to be my old self again, but I'm still trying to find it
After plaid shirt days and nights when you made me your own
Now you mail back my things and I walk home alone
But you keep my old scarf from that very first week
'Cause it reminds you of innocence and it smells like me
You can't get rid of it
'Cause you remember it all too well, yeah

[Chorus]

'Cause there we are again when I loved you so
Back before you lost the one real thing you've ever known
It was rare, I was there
I remember it all too well
Wind in my hair, you were there
You remember it all
Down the stairs, you were there
You remember it all
It was rare, I was there
I remember it all too well
[Verse 6]

And I was never good at telling jokes, but the punch line goes
"I'll get older, but your lovers stay my age"

From when your Brooklyn broke my skin and bones
I'm a soldier who's returning half her weight

And did the twin flame bruise paint you blue?
Just between us, did the love affair maim you, too?

'Cause in this city's barren cold
I still remember the first fall of snow
And how it listened as it fell

Title: I Miss You

Artist: ■■blink-182

Original Song:

[Intro: Mark Hoppus]
I miss you, I miss you

[Verse 1: Mark Hoppus]
Hello, there
The angel from my nightmare
The shadow in the background of the morgue
The unsuspecting victim
Of darkness in the valley
We can live like Jack and Sally if we want
Where you can always find me
And we'll have Halloween on Christmas
And in the night, we'll wish this never ends
We'll wish this never ends

[Interlude: Mark Hoppus]
I miss you, I miss you
I miss you, I miss you

[Verse 2: Tom DeLonge]
Where are you? And I'm so sorry
I cannot sleep, I cannot dream tonight
I need somebody and always
This sick, strange darkness
Comes creeping on, so haunting every time
And as I stare, I counted
The webs from all the spiders
Catching things and eating their insides
Like indecision to call you
And hear your voice of treason
Will you come home and stop this pain tonight?
Stop this pain tonight
[Chorus: Tom DeLonge & Mark Hoppus]
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)

[Instrumental Break]

[Chorus: Tom DeLonge & Mark Hoppus]
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)
Don't waste your time on me, you're already
The voice inside my head (I miss you, I miss you)

Title: Happier Than Ever

Artist: Billie Eilish

Original Song:

[Chorus]
When I'm away from you
I'm happier than ever
Wish I could explain it better
I wish it wasn't true

[Verse 1]
Give me a day or two to think of something clever
To write myself a letter
To tell me what to do, mm-mm
Do you read my interviews?
Or do you skip my avenue?
When you said you were passin' through
Was I even on your way?
I knew when I asked you to (When I asked you to)
Be cool about what I was tellin' you
You'd do the opposite of what you said you'd do (What you said you'd do)
And I'd end up more afraid
Don't say it isn't fair
You clearly weren't aware that you made me miserable
So if you really wanna know

[Chorus]
When I'm away from you (When I'm away from you)
I'm happier than ever (Happier than ever)
Wish I could explain it better (Wish I could explain it better)
I wish it wasn't true, mm-mm

[Verse 2]
You call me again, drunk in your Benz
Drivin' home under the influence
You scared me to death, but I'm wastin' my breath
'Cause you only listen to your fuckin' friends
I don't relate to you
I don't relate to you, no
'Cause I'd never treat me this shitty
You made me hate this city

[Verse 3]
And I don't talk shit about you on the internet
Never told anyone anything bad
'Cause that shit's embarrassing, you were my everything
And all that you did was make me fuckin' sad
So don't waste the time I don't have
And don't try to make me feel bad
I could talk about every time that you showed up on time
But I'd have an empty line 'cause you never did
Never paid any mind to my mother or friends, so I
Shut 'em all out for you 'cause I was a kid

[Outro]
You ruined everything good
Always said you were misunderstood
Made all my moments your own
Just fuckin' leave me alone, yeah (Fuck you)
(Ah)
(Goddamn)
(Ah)
(Fuck you)
(Fuck you)

[Intro]
I think I, I think I finally
Found a way to forgive myself
For the mistakes I made in my past
I think that's the first step, right?
You agree?

[Verse]
I've dug two graves for us, my dear
Can't pretend that I was perfect, leavin' you in fear
Oh, man, what a world, the things I hear
If I could act on my revenge, no, would I?
Some kill, some steal, some break your heart
And you'd have thought that I would let it go and let you walk
Well, broken hearts break bones, so break up fast
And I don't wanna let it go, so in my grave, I'll rot
I've dug two graves for us, my dear
Can't pretend that I was perfect, leavin' you in fear

Title: Bohemian Rhapsody

Artist: Queen

Original Song:

[Intro]
Is this the real life? Is this just fantasy?
Caught in a landslide, no escape from reality
Open your eyes, look up to the skies and see
I'm just a poor boy, I need no sympathy
Because I'm easy come, easy go, little high, little low
Any way the wind blows doesn't really matter to me, to me

[Verse 1]
Mama, just killed a man
Put a gun against his head, pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away
Mama, ooh, didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on as if nothing really matters

[Verse 2]
Too late, my time has come
Sends shivers down my spine, body's aching all the time
Goodbye, everybody, I've got to go
Gotta leave you all behind and face the truth
Mama, ooh (Any way the wind blows)
I don't wanna die
I sometimes wish I'd never been born at all
[Guitar Solo]

[Verse 3]
I see a little silhouette of a man
Scaramouche, Scaramouche, will you do the Fandango?
Thunderbolt and lightning, very, very frightening me
(Galileo) Galileo, (Galileo) Galileo, Galileo Figaro magnifico
But I'm just a poor boy, nobody loves me
He's just a poor boy from a poor family
Spare him his life from this monstrosity
Easy come, easy go, will you let me go?
Bismillah! No, we will not let you go
(Let him go) Bismillah! We will not let you go
(Let him go) Bismillah! We will not let you go

Title: Viva La Vida

Artist: Coldplay

Original Song:

[Verse 1: Chris Martin]
I used to rule the world
Seas would rise when I gave the word
Now in the morning, I sleep alone
Sweep the streets I used to own

[Instrumental Interlude]

[Verse 2: Chris Martin]
I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the crowd would sing
"Now the old king is dead, long live the king"
One minute, I held the key
Next, the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

[Chorus: Chris Martin]
I hear Jerusalem bells a-ringin'
Roman cavalry choirs are singin'
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason, I can't explain
Once you'd gone, there was never
Never an honest word
And that was when I ruled the world
[Instrumental Interlude]

[Verse 3: Chris Martin]
It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string (Mmm, mmm)
Aw, who would ever wanna be king?

[Chorus: Chris Martin]
I hear Jerusalem bells a-ringin'
Roman cavalry choirs are singin'
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason, I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

[Bridge: Brian Eno, Guy Berryman, Jonny Buckland & Will Champion]

Oh-oh-oh, oh-oh, oh
Oh-oh-oh, oh-oh, oh

Title: Is It Over Now

Artist: Taylor Swift

Original Song:

[Intro]
(Is it? Is it? Is it? Is it? Is it?)

[Verse 1]
Once the flight had flown (Uh-huh)
With the wilt of the rose (Uh-huh)
I slept all alone (Uh-huh)
You still wouldn't go

[Pre-Chorus]
Let's fast forward to three hundred takeout coffees later
I see your profile and your smile on unsuspecting waiters
You dream of my mouth before it called you a lying traitor
You search in every maiden's bed for somethin' greater, baby

[Chorus]
Was it over when she laid down on your couch?
Was it over when he unbuttoned my blouse?
"Come here," I whispered in your ear
In your dream as you passed out, baby
Was it over then? And is it over now?

[Post-Chorus]
(Is it? Is it? Is it?)

[Verse 2]
When you lost control (Uh-huh)
Red blood, white snow (Uh-huh)
Blue dress on a boat (Uh-huh)
Your new girl is my clone

[Bridge]
And did you think I didn't see you?
There were flashin' lights
At least I had the decency
To keep my nights out of sight
Only rumors 'bout my hips and thighs
And my whispered sighs
Oh, Lord, I think about jumpin'
Off of very tall somethings
Just to see you come runnin'
And say the one thing I've been wanting, but no

[Pre-Chorus]
Let's fast forward to three hundred awkward blind dates later (Oh)
If she's got blue eyes, I will surmise that you'll probably date her (Oh, no)
You dream of my mouth before it called you a lying traitor (Oh)
You search in every model's bed for somethin' greater, baby

[Chorus]
Was it over when she laid down on your couch?
Was it over when he unbuttoned my blouse?
"Come here," I whispered in your ear
In your dream as you passed out, baby
Was it over then? And is it over now?

[Post-Chorus]
Uh-huh
(Is it? Is it? Is it?)
Uh-huh
(Is it? Is it?)

[Bridge]
Think I didn't see you?
There were flashin' lights
At least I had the decency
To keep my nights out of sight
Only rumors 'bout my hips and thighs
And my whispered sighs
Oh, Lord, I think about jumpin'
Off of very tall somethings
Just to see you come runnin' (Runnin')
And say the one thing I've been wanting, but no

[Outro]
(Flashin' lights; Oh, Lord; Oh)
Let's fast forward to three hundred takeout coffees later (Oh)
(Flashin' lights) I was hoping you'd be there
And say the one thing (Oh, Lord)
I've been wanting (Oh, Lord)
But no
(Was it? Was it? Was it? Was it? Was it? Was it?)

Title: Hallelujah

Artist: Leonard Cohen

Original Song:

[Verse 1]
Now I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do ya?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing "Hallelujah"

[Chorus]
Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 2]
Your faith was strong, but you needed proof
You saw her bathing on the roof
Her beauty in the moonlight overthrew ya
She tied you to a kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

[Chorus]
Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 3]
You say I took the name in vain
I don't even know the name
But if I did, well, really, what's it to ya?
There's a blaze of light in every word
It doesn't matter which you heard
The holy or the broken Hallelujah

[Chorus]
Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Verse 4]
I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool ya
And even though it all went wrong
I'll stand before the lord of song
With nothing on my tongue but hallelujah

[Chorus]
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah

[Outro]
Hallelujah, Hallelujah
[Additional Lyrics]
Baby, I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
And I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken Hallelujah

[Additional Lyrics]
There was a time you let me know
What's really going on below
But now you never show it to me, do you?
And remember when I moved in you
The holy dove was moving too
And every breath we drew was Hallelujah

[Additional Lyrics]
Maybe there's a God above
But all I've ever learned from love
Was how to shoot at someone who outdrew you
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Parody Song:

Title: Do I Wanna Know?

Artist: Arctic Monkeys

Original Song:

[Verse 1]
Have you got colour in your cheeks?
Do you ever get that fear that you can't shift the tide
That sticks around like summat in your teeth?
Are there some aces up your sleeve?
Have you no idea that you're in deep?
I've dreamt about you nearly every night this week
How many secrets can you keep?
'Cause there's this tune I found
That makes me think of you somehow an' I play it on repeat
Until I fall asleep, spillin' drinks on my settee

[Pre-Chorus]
(Do I wanna know?) If this feelin' flows both ways?
(Sad to see you go) Was sorta hopin' that you'd stay
(Baby, we both know) That the nights were mainly made
For sayin' things that you can't say tomorrow day

[Chorus]
Crawlin' back to you
Ever thought of callin' when
You've had a few?
'Cause I always do
Maybe I'm too
Busy bein' yours
To fall for somebody new
Now, I've thought it through
Crawlin' back to you

[Verse 2]
So have you got the guts?
Been wonderin' if your heart's still open
And if so, I wanna know what time it shuts
Simmer down an' pucker up, I'm sorry to interrupt
It's just I'm constantly on the cusp of tryin' to kiss you
But I don't know if you feel the same as I do
But we could be together if you wanted to

[Pre-Chorus]
(Do I wanna know?) If this feelin' flows both ways?
(Sad to see you go) Was sorta hopin' that you'd stay
(Baby, we both know) That the nights were mainly made
For sayin' things that you can't say tomorrow day

[Chorus]
Crawlin' back to you (Crawlin' back to you)
Ever thought of callin' when
You've had a few? (Had a few)
'Cause I always do ('Cause I always do)
Maybe I'm too (Maybe I'm too busy)
Busy bein' yours (Bein' yours)
To fall for somebody new
Now, I've thought it through
Crawlin' back to you

[Outro]
(Do I wanna know?) If this feelin' flows both ways?
(Sad to see you go) Was sorta hopin' that you'd stay
(Baby, we both know) That the nights were mainly made
For sayin' things that you can't say tomorrow day
(Do I wanna know?) Too busy bein' yours to fall
(Sad to see you go) Ever thought of callin', darlin'?
(Do I wanna know?) Do you want me crawlin' back to you?

Title: What's Up?

Artist: 4 Non Blondes

Original Song:

[Verse 1]
25 years and my life is still
Tryin' to get up that great big hill of hope
For a destination
I realized quickly when I knew I should
That the world was made up of this brotherhood of man
For whatever that means

[Pre-Chorus]
And so I cry sometimes when I'm lying in bed
Just to get it all out what's in my head

Title: Take Me to Church

Artist: Hozier

Original Song:

[Verse 1]
My lover's got humour
She's the giggle at a funeral
Knows everybody's disapproval
I should've worshipped her sooner
If the heavens ever did speak
She's the last true mouthpiece
Every Sunday's gettin' more bleak
A fresh poison each week
We were born sick, you heard them say it
My church offers no absolutes
She tells me, "Worship in the bedroom"
The only heaven I'll be sent to
Is when I'm alone with you
I was born sick, but I love it
Command me to be well

[Pre-Chorus]
A, amen
Amen, amen

[Chorus]
Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Oh, good God, let me give you my life
Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Oh, good God, let me give you my life

[Verse 2]
If I'm a pagan of the good times
My lover's the sunlight
To keep the goddess on my side
She demands a sacrifice
Drain the whole sea, get somethin' shiny
Somethin' meaty for the main course
That's a fine lookin' high horse
What you got in the stable?
We've a lot of starvin' faithful
That looks tasty, that looks plenty
This is hungry work

[Chorus]
Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins, so you can sharpen your knife
Offer me my deathless death
Oh, good God, let me give you my life
Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins, so you can sharpen your knife
Offer me my deathless death
Oh, good God, let me give you my life

[Bridge]
No masters or kings when the ritual begins
There is no sweeter innocence than our gentle sin
In the madness and soil of that sad earthly scene
Only then, I am human, only then, I am clean

[Pre-Chorus]
Oh, oh, amen
Amen, amen

[Chorus]
Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Oh, good God, let me give you my life
Take me to church
I'll worship like a dog at the shrine of your lies
I'll tell you my sins and you can sharpen your knife
Offer me that deathless death
Oh, good God, let me give you my life

pineapple on a pie is just
not my cup of tea icky iced tea
no matter how hard I try icky
I just can't seemingly
adjust to the idea he
pineapple and pie are

Title: Believer

Artist: Imagine Dragons

Original Song:

[Verse 1]
First things first
I'ma say all the words inside my head
I'm fired up and tired of
The way that things have been, oh-ooh
The way that things have been, oh-ooh

[Verse 2]
Second things second
Don't you tell me what you think that I could be
I'm the one at the sail
I'm the master of my sea, oh-ooh
The master of my sea, oh-ooh

[Pre-Chorus]
I was broken from a young age
Taking my sulkin' to the masses
Writing my poems for the few
That look at me, took to me, shook at me, feelin' me
Singing from heartache from the pain
Taking my message from the veins
Speaking my lesson from the brain
Seeing the beauty through the...

[Chorus]
Pain! You made me a, you made me a
Believer, believer
Pain! You break me down, you build me up
Believer, believer
Pain! Oh, let the bullets fly, oh, let them rain
My life, my love, my drive, it came from...
Pain! You made me a, you made me a
Believer, believer
[Verse 3]
Third things third
Send a prayer to the ones up above
All the hate that you've heard
Has turned your spirit to a dove, oh-ooh
Your spirit up above, oh-ooh

[Pre-Chorus]
I was chokin' in the crowd
Building my rain up in the cloud
Falling like ashes to the ground
Hoping my feelings, they would drown
But they never did, ever lived, ebbin' and flowin'
Inhibited, limited 'til it broke open and rained down
It rained down, like...

[Chorus]
Pain! You made me a, you made me a
Believer, believer
Pain! You break me down, you build me up
Believer, believer
Pain! Oh, let the bullets fly, oh, let them rain
My life, my love, my drive, it came from...
Pain! You made me a, you made me a
Believer, believer
[Verse 4]
Last things last
By the grace of the fire and the flames
You're the face of the future
The blood in my veins, oh-ooh
The blood in my veins, oh-ooh

[Pre-Chorus]
But they never did, ever lived, ebbin' and flowin'
Inhibited, limited 'til it broke open and rained down
It rained down, like...

[Chorus]
Pain! You made me a, you made me a
Believer, believer
Pain! You break me down, you build me up
Believer, believer
Pain! Oh, let the bullets fly, oh, let them rain
My life, my love, my drive, it came from...
Pain! You made me a, you made me a
Believer, believer

Title: Something Just Like This

Artist: The Chainsmokers & Coldplay

Original Song:

[Verse 1: Chris Martin]
I've been reading books of old
The legends and the myths
Achilles and his gold
Hercules and his gifts
Spider-Man's control
And Batman with his fists
And clearly I don't see myself upon that list

[Pre-Chorus: Chris Martin]
But she said, "Where d'you wanna go?
How much you wanna risk?"
I'm not looking for somebody
With some superhuman gifts
Some superhero
Some fairytale bliss
Just something I can turn to
Somebody I can kiss
I want something just like this

[Chorus: Chris Martin]
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo, doo
Doo-doo-doo, doo-doo-doo
Oh, I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo, doo
Doo-doo-doo, doo-doo-doo
Oh, I want something just like this
I want something just like this

[Verse 2: Chris Martin]
I've been reading books of old
The legends and the myths
The testaments they told
The moon and its eclipse
And Superman unrolls
A suit before he lifts
But I'm not the kind of person that it fits

[Pre-Chorus: Chris Martin]
She said, "Where'd 'you wanna go?
How much you wanna risk?"
I'm not looking for somebody
With some superhuman gifts
Some superhero
Some fairytale bliss
Just something I can turn to
Somebody I can miss

[Chorus: Chris Martin]
I want something just like this
I want something just like this

[Bridge: Chris Martin]
Oh, I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo, doo
Doo-doo-doo, doo-doo-doo
Oh, I want something just like this
Doo-doo-doo, doo-doo-doo
Doo-doo-doo, doo, doo
Doo-doo-doo, doo-doo-doo

[Pre-Chorus: Chris Martin]
Where d'you wanna go?
How much you wanna risk?
I'm not looking for somebody
With some superhuman gifts
Some superhero
Some fairytale bliss
Just something I can turn to

Title: As It Was

Artist: Harry Styles

Original Song:

[Intro]
Come on, Harry, we wanna say goodnight to you

[Verse 1]
Holdin' me back
Gravity's holdin' me back
I want you to hold out the palm of your hand
Why don't we leave it at that?
Nothin' to say
When everything gets in the way
Seems you cannot be replaced
And I'm the one who will stay, oh-oh-oh

[Chorus]
In this world, it's just us
You know it's not the same as it was
In this world, it's just us
You know it's not the same as it was
As it was, as it was
You know it's not the same

[Verse 2]
Answer the phone
"Harry, you're no good alone
Why are you sitting at home on the floor?
What kind of pills are you on?"
Ringin' the bell
And nobody's coming to help
Your daddy lives by himself
He just wants to know that you're well, oh-oh-oh
[Chorus]
In this world, it's just us
You know it's not the same as it was
In this world, it's just us
You know it's not the same as it was
As it was, as it was
You know it's not the same

Artist: Harry Styles

Original Song:

[Verse 1]

Just stop your crying, it's a sign of the times
Welcome to the final show
I hope you're wearing your best clothes
You can't bribe the door on your way to the sky
You look pretty good down here
But you ain't really good

[Pre-Chorus]

We never learn, we've been here before
Why are we always stuck and running from
The bullets, the bullets?
We never learn, we've been here before
Why are we always stuck and running from
The bullets, the bullets?

[Chorus]

Just stop your crying, it's a sign of the times
We gotta get away from here
We gotta get away from here
Just stop your crying, it'll be alright
They told me that the end is near
We gotta get away from here

Breaking through the atmosphere
Things look pretty good from here
Remember everything will be alright
We can meet again somewhere
Somewhere far away from here

Why are we always stuck and running from
The bullets, the bullets?

Title: River

Artist: Eminem

Original Song:

[Chorus: Ed Sheeran]
I've been a liar, been a thief
Been a lover, been a cheat
All my sins need holy water, feel it washing over me
Well, little one, I don't want to admit to something
If all it's gonna cause is pain
Truth and my lies right now are falling like the rain
So let the river run

[Verse 1: Eminem]
He's comin' home with his neck scratched, to catch flack
Sweat jackets and dress slacks, mismatched
On his breath's Jack, he's a sex addict
And she just wants to exact revenge and get back
It's a chess match, she's on his back like a jet-pack
She's kept track of all his Internet chats
And guess who just happens to be movin' on to the next
Actually, just shit on my last chick and she has what my ex lacks
'Cause she loves danger, psychopath
And you don't fuck with no man's girl, even I know that
But she's devised some plan to stab him in the back
Knife in hand, says their relationship's hangin' by a strand
So she's been on the web lately
Says maybe she'll be my Gwen Stacy, to spite her man
And I know she's using me to try to play him, I don't care
Hi Suzanne, but I shoulda said "Bye Suzanne"
After the first night, but tonight I am
[Chorus: Ed Sheeran]
I've been a liar, been a thief
Been a lover, been a cheat
All my sins need holy water, feel it washing over me
Well, little one, I don't want to admit to something
If all it's gonna cause is pain
The truth and my lies now are falling like the rain
So let the river run

[Verse 2: Eminem]
A one-night stand turned a two-night stand
It was "come sunlight, scram," now we hug tight, and...
He found out, now she feels deserted and used
'Cause he left, so what? He did it first to her too
Now how am I supposed to tell this girl that we're through?
It's hard to find the words, I'm aloof, nervous, and Sue
Don't want this to hurt, but what you deserve is the truth
Don't take it personal, I just can't say this in person to you
So I revert to the studio, like hole-in-the-wall diners
Don't have to be reserved in a booth
I just feel like the person who I'm turning into's
Irreversible, I preyed on you like it's church at the pew
And now that I got you I don't want you
Took advantage in my thirst to pursue
Why do I do this dirt that I do?
Get on my soapbox and preach, my sermon and speech
Detergent and bleach is burnin' the wound
'Cause now with her in the womb
We can't bring her in this world, shoulda knew
To use protection 'fore I bit into your forbidden fruit
Fuck!
[Chorus: Ed Sheeran]
I've been a liar, been a thief
Been a lover, been a cheat
All my sins need holy water, feel it washing over me
Well, little one, I don't want to admit to something
If all it's gonna cause is pain
The truth and my lies now are falling like the rain
So let the river run

[Bridge: Eminem & Ed Sheeran]
My name's (Ooh), my name's (Ooh)
River
(Ooh)
, river run
Call me (Ooh), call me (Ooh)
River (Ooh), we'll let the river run

[Verse 3: Eminem]
Always the bridesmaid, never "The bride, hey!"
Fuck can I say? If life was a highway
And deceit was an enclave, I'd be swerving in five lanes
Speeds at a high rate, like I'm slidin' on ice, maybe
That's why I may have came at you sideways
I can't keep my lies straight
But I made you terminate my baby
This love triangle left us in a wreck, tangled
What else can I say? It was fun for a while
Bet I really woulda loved your smile
Didn't really wanna abort, but fuck it
What's one more lie, to tell our unborn child?
[Chorus: Ed Sheeran & Eminem]
I've been a liar, been a thief
Been a lover, been a cheat
All my sins need holy water, feel it washing over me
Well, little one (I'm sorry
)
I don't want to admit to something (I fucked up
)
If all it's gonna cause is pain
The truth and my lies now are falling like the rain
So let the river run

Parody Song:

[Chorus: Ed Sheeran]
I've been a fan of pineapple
on my pizza had to take
been a lover of the sweet and tangy taste for years now it
well little one I don't want to admit to something
if all it's gonna cause is hate
my love for pineapple now is falling downstate
so let the river run

[Verse 1: Eminem]
he's comin' home with his pepperoni red
lovin' every bite of it
sweat drippin' from his brow as he takes
that first bite of pineapple on his p hotbed
it's a chorus of delightful flavors inbred
she just wants to exact revenge and get
back for the pineapple topping on his pizza that he
never asked for or wanted or needed or desired or even
thought about before he took
it was a spontaneous decision that he now reg
rets with every bite of that p beckstead
actually just shit on my last pizza topping and
she has what my ex lacks and that
is a taste for something other than pineapple on
my pizza that is a crime against humanity and nature
I know she's using me to try to pion
e my pizza topping preferences

[Chorus: Ed Sheeran]
I've been a fan of pineapple
on my pizza had to take
been a lover of the sweet and tangy taste for years now it
well little one I don't want to admit to something
if all it's gonna cause is hate
my love for pineapple now is falling downstate
so let the river run

[Verse 2: Eminem]
a one night stand turned a one pizza stand
it was come last bite then gone done hot and spicy
I found out now he feels abandoned and used
cause he left without his pineapple topping
now how am I supposed to tell this girl that herring
it didn't work out for pineapple on my punching
it's hard to find the words I'm aloof and nervous and sue
don't want this to hurt but what you deserve is the truth and my plying
don't take it personal I just can't say this in person to
you so I revert to the pettigrew
I just feel like the person who I'm turning into
irreversible I preyed on you like it's church ongoing
I now that I got you I don't pining

fuck did I do this dirty ditching
I get on my soapbox and preach my sermon and
speech detergent and bleach is burning the

to use protection before I bit into your forbidden

[Chorus: Ed Sheeran]
I've been a fan of pineapple
on my pizza had to take
